You'll find more details about the benefits, exclusions and terms and conditions of your Membership Plan inside this booklet. It's worth keeping this booklet for easy reference in future.

JOIN UP. RELAX. SMILE CONFIDENTLY.

# Why our Membership Plan is so good for you

---

With our Membership Plan, you don't need to wait and worry about dental problems happening suddenly, although if they do, we're always here to help.

You can get peace of mind today.

With an emphasis on preventive care including advice, regular appointments, check-ups and hygiene treatments, your plan helps you and your dentist to spot and avoid dental problems before they happen.

## Our plan highlights:

- Budget wisely and protect yourself from dental problems and extra costs later on
- Benefit from cover for check-ups, dental x-rays, access to hygiene treatment and expert advice
- Enjoy better dental help and a brighter smile
- Feel better about your dental hygiene with scaling and polishing included in your plan, enabling you to smile with confidence
- Discounts on any necessary routine dental treatments (exclusions apply)
- Discounts on sundries (including whitening gels for those who have had whitening with us previously)
- One emergency assessment appointment (10% off x-rays & treatment fees)

## How does the Smile Stylist Membership Plan work?

The amount you pay for the Membership Plan is decided by your dentist.

A pre-assessment of your oral health is not necessary for our existing patients but new patients will need a new patient check-up (£150.00)

Please note: The Membership Plan Contract is between you and our practice. Your plan covers you for all preventive advice, check-ups and hygiene appointments with your dentist at our practice.

Our Membership Plan is a great way to avoid dental problems, while spreading the cost of preventive care.

# The Membership Plan Contract between you and Smile Stylist

---

## 1. DEFINITION OF TERM USED

Unless the context otherwise requires, 'contract' means this Smile Stylist contract and the terms which you have signed; 'dentist' means your treating dentist and Smile Stylist Professionals means SKSH Limited (company number 12104856) whose registered office is at Eltham House, 6 Forest Road, Loughborough LE11 3NP.

## 2. TREATMENT TO WHICH YOU ARE ENTITLED

The contract entitles you to receive routine preventive dental care required to maintain your oral health, as determined by your dentist. This includes the visits and treatments outlined in the document entitled 'Smile Stylist Membership Plan Contract'. Your dentist may review your requirements at any time.

You shall be entitled to your first routine appointment 6 months after the first direct debit payment has been made.

## 3. TREATMENT TO WHICH YOU ARE NOT ENTITLED

The contract does not entitle you to:

- Restorative treatment
- Orthodontic appliance therapy (braces)
- The provision, repair or replacement of dental

implants and related superstructures

- Any treatment needed as a result of a dental injury (an injury to teeth or supporting structures (including damage to dentures whilst being worn) which is caused by suddenly and unexpectedly by means of direct external impact)
- Sedation fees
- Any treatment not specified by your dentist in your contract
- Referral to a specialist or specialist treatment which is necessary in the reasonable opinion of your dentist

## 4. PRESCRIPTIONS AND LABORATORY CHARGES

The contract does not cover pharmaceutical items, prescription fees or laboratory fees reasonably charged by your dentist, which must be paid by you directly to your dentist.

## 5. DENTAL EMERGENCY ARRANGEMENTS

Your monthly plan entitles you to one emergency assessment appointment with your treating dentist during normal practice opening hours. You have the additional benefit of access at both our clinics for emergency care if necessary open 7 days a week.

Examples of what this includes are:

- Getting you out of pain where possible

- The assessment of intra- or extra-oral swellings
- Assessing and treating an infected or dry socket
- Providing you with a prescription where clinically necessary
- Placing a temporary filling or dressing where necessary
- Assessing a suspicious lesion/ulcer
- Smoothing a sharp or broken tooth
- Re-cementing crowns/bridges where possible

**Exclusions include:**

- Extractions
- The placement of definitive fillings or restorations
- Root canal treatments
- Any other “definitive” treatment or anything not classed as an “emergency” by your treating dentist

If you have had no emergency appointments since the 1st January, and should you experience toothache/swelling during our normal working hours but your usual dentist is away, we shall arrange for you to see one of our other dentists for no additional charge. If none of our dentists are available, Smile Stylist has a contingency plan in place for such an occurrence and shall arrange for you to see a dentist at one of the dental practices with whom we have an arrangement (a fee may apply).

If you experience a dental emergency outside of our usual opening hours, we advise you contact NHS 111 who shall advise you as to the best course of action.

**6. ALTERATION OF THE MONTHLY FEE**

Your dentist will normally review your monthly fee annually and your fee may change in January in any year and at other times in exceptional circumstances.

Should the fee change (for example due to inflation

or increased material costs or practice running costs) you will be given 3 months written notice by letter, or email if consented (correspondence sent to the payer’s email address if provided or last known address by ordinary post will be treated as adequate notice).

If you are not happy with any change in monthly fee, you have the right to terminate the agreement giving your dentist and CODEplan with 3 months notice, as detailed in condition 11 Ending the contract.

**7. TREATMENT BY ANOTHER DENTIST**

The contract is with your dentist as specified in the document entitled Smile Stylist Membership Plan Contract. If your dentist arranges for another dentist or a locum to provide routine care on his or her behalf, this will be covered by the contract. However, where you choose to have routine care or treatment provided by a practitioner independently of your dentist, any associated costs will not be covered by the contract.

Furthermore, where you are referred by your own dentist to a specialist, the costs will not be covered (see condition 3 Treatment to which you are not entitled).

**8. PAYMENT**

CODEplan administers the plan on behalf of Smile Stylist

Where you are not the payer specified in the document entitled ‘Smile Stylist Membership Plan Contract’, you shall ensure that the payer pays any sum due by you under this contract. You agree that, when making any such payment, the payer acts as your agent and on your behalf.

Any other amounts due to your dentist (e.g. prescription fees, pharmaceutical items, laboratory

charges or treatment not covered by the contract) are payable by you directly to your dentist and non-payment of such amounts will constitute a breach of the terms of the contract.

Your liability to pay the monthly fee continues until the contract is ended in accordance with this Agreement (see condition 11 Ending the contract).

## 9. DIRECT DEBIT CHARGES

Following a variation in monthly fee, the Direct Debit will be changed at the next available collection date. Where you are given notice of an increase in your monthly fee, your Direct Debit will be changed at the end of the required notice period (see condition 6 Alteration of the monthly fee).

## 10. YOUR RESPONSIBILITIES

You are responsible for keeping appointments made with your dentist and you must pay any 'missed appointment' fee should you fail to do so.

You must ensure that you also attend your dentist for regular check-ups, receive the treatment your dentist advises and you must promptly inform your dentist of any injury, problem or other material matter affecting your oral health. If you fail to ensure any of this you will be liable to pay any fee reasonably charged for treatment necessary to restore your oral health, which could otherwise have been avoided.

If, in the reasonable opinion of your dentist, he or she is not able to maintain your oral health due to any act or omission on your part, your dentist may end the contract immediately by giving notice to that effect.

## 11. ENDING THE CONTRACT

### Cooling off period

You can cancel the Smile Stylist Membership Plan Contract for any reason during the 14 day 'cooling off' period. This period starts from receiving the direct debit confirmation letter.

The patient/payer may cancel this agreement by giving a minimum of three months' notice in writing to CODEplan and Smile Stylist. In case of termination any money outstanding for treatments that have been provided under the Plan will be due immediately. If you are intending to leave the care of your dentist, you should attend a final leaving appointment, when your dentist can arrange to provide any outstanding treatment and check your oral health.

## 12. NON-PAYMENT

### Non-payment of one fee

If the patient/payer fails to pay a monthly payment, CODEplan will inform the patient/payer accordingly and attempt to collect two payments from the patient/payer's account in the following month.

### Non-payment of two fees

If a monthly payment remains unpaid the dental surgeon reserves the right to give two months' notice of termination and there will be a total of three months' payment due immediately.

## 13. VARIATION OF THESE CONDITIONS

If it is necessary to vary the conditions in this Contract, for instance to take account of changes in the law, this can be done by your dentist giving you 30 days' written notice.

If you do not wish the contract to continue, having regard to any variation notified to you, you may end

it as detailed in condition 11 (Ending the contract).

If you do not do this by the time the notice of variation expires, you will be deemed to have accepted the variation.

#### **14. CONTRACT NON TRANSFERABLE**

As the contract is with your dentist, you may not transfer it to another practice.

If you need to change your dentist a new contract will be required. You are not entitled to assign or sub-contract any rights or obligations you may have under the contract to any other person. 15. Treatment outside the contract

Nothing in the contract prevents you and your dentist agreeing that he or she will provide treatment outside your entitlement under the contract. You will be responsible for paying for such treatment.

#### **16. DISPUTES**

Smile Stylist has an in-house complaints procedure. If you are unhappy with any aspect of your dental care you should, in the first instance, approach your dentist directly.

#### **17. THIRD PARTIES**

The contract is intended to confer a benefit on your dentist and you. No other person shall be entitled to enforce any term of the contract by virtue of the contracts (Rights of Third Parties) Act 1999 (the 'Act').

#### **18. GOVERNING LAW AND JURISDICTION**

Both parties agree that this Contract shall be governed by and construed in accordance with the Law of England and Wales and the parties hereby irrevocably submit to the exclusive jurisdiction of the English Courts.
